### **WOUNDED HEART STUDY**

The Wounded Heart Group is a Christian study for survivors of sexual abuse. Please contact Phyllis Green at 270-723-9374 or [greenphyllisd@gmail.com](mailto:greenphyllisd@gmail.com) for the meeting location or with additional questions. All inquiries will be treated confidentially.

Here's what two former participants had to say: "My relationship with God and others has improved greatly and I'm not ashamed of the abuse, but can instead see it as a testimony to others and as an example of God's faithfulness."

"[This group] allowed me to express feelings in a safe environment... I was able to see the path to God's healing."
